

Work Health Safety Policy

Approval and Review

This policy was adopted by the Board of South Australian Runners Club on 24th Oct 2017

This policy was last updated on 23rd Oct 2017

SARRC is committed to protecting the health and safety of all persons in the workplace including employees, contractors, participants, volunteers, and board.

SARRC employees, contractors, participants, volunteers, and board, have a duty of care including; the responsibility to work/participate safely, to take all reasonable care for their own health and safety, and to consider the health and safety of other people who may be affected by their actions.

SARRC is committed to:

- Complying with all applicable health and safety laws, regulations, and standards
- Providing equipment appropriate for events/activities in an acceptable condition
- Implementing risk and hazard management systems which are; relevant and suitable for the organisation's risk exposure
- Provision of appropriate Health and Safety Training to all relevant person
- Maintaining relevant policies procedures, systems, information, training, recognition programs, and organisational structures to support and communicate effective health and safety practices
- Utilising appropriate internal and /or external expertise when required in all activities
- Effectively disseminate health and safety information to all employees and contractors etc.
- Maintaining a positive safety culture through encouraging active participation, consultation, and cooperation of employees, contractors, participants, volunteers, and board, in promoting and developing measures to improve health and safety at work
- Actively responding to/and investigation all incidents

SARRC will implement and maintain these systems, inclusive of standards, policies, and procedures. These standards, policies, and procedures. These standards will be monitored regularly to ensure their integrity and effectiveness to facilitate continuous improvement.
